

FlowJo Portal

FlowJo's new user-based license service for FlowJo™ Software, SeqGeq™ Software and BD® Research Cloud

FlowJo Portal

- Access the leading flow cytometry analysis software with a flexible user-based account for authorization on multiple computers
- Avoid waiting on your lab mates for the dongle or shared computer
- Authorize up to four computers with an internet connection, one at a time
 - With the option to replace up to four devices annually
- Automatically access new product versions
- Receive group discounts and admin functions for five or more users
- Be safe and secure—have peace of mind with an electronic license that cannot be lost or stolen
- Get 24-hour token offline use (traveling made easy)
- Access to FlowJo™ Software v10.5+, SeqGeq™ Software and BD® Research Cloud using one account

Dongle Trade-Ins

We accept dongle trade-ins so you can get the flexibility of a FlowJo Portal license in your lab.

Variable discounts based on your dongle's age
