

# BD<sup>®</sup> Research Cloud

## Next steps for BD RC

Now that you've signed up for BD RC, follow these steps to optimize time spent on your flow experiments.

1

### Create a collaborative organization

Click to see how to create an account and a shared organization

2

### Create Groups & Projects

Check our tutorial on how to create Groups & Projects from your organization menu

3

### Invite Users

From Group overview, Invite Users.  
Follow instructions here

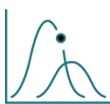

4

### Upload cytometer parameters

The How-To guide to Define your cytometer is here

5

### Create shared panels and experiments

Click Panel creation with reagent selector for more details

6

### Connect to FlowJo<sup>™</sup> Software

Look at **Connect to FlowJo** to upload your FCS files and easily share data with others
